# GEORGE & PAUL

A fun-filled stop-motion animation series introducing children to George and Paul, two best friends who live in a world of wooden blocks, where anything is possible and adventure is always right around the corner!

Always on the hunt for fun, and using their imaginations and a little bit of creativity, the pair love coming up with clever inventions to help in their adventures. Whether it's creating buildings, vehicles, animals or even using George's arms as boat paddles, George and Paul always come up with the most fun and imaginative designs to play with, and solve any problems that come their way. In George and Paul's world, creative thinking always saves the day.

26 x 5' Episodes; Digital Short Stop Motion Animation

Produced by Pedri Animation for NRT and VRT.
