

HOUSE OF BRYAN

HOUSE OF BRYAN

This hit global franchise gives viewers a behind-the-scenes look into the life of iconic contractor Bryan Baeumler as he transforms his modest 50-year-old bungalow into the ultimate dream home (*House of Bryan*), builds his family's dream vacation home (*House of Bryan: On The Rocks*) and his new residence in the country (*House of Bryan: In The Sticks*).

In *House of Bryan*, Bryan has six-short months to demolish the old and build the new, all while facing a number of problems including weather delays, novice workmanship and municipal red tape.

In *House of Bryan: On The Rocks*, Bryan juggles the demands of work, play and his growing family. With four short months to build his summer home, Bryan must overcome financial, personal and physical stress in order to make his family's summer getaway a reality.

House of Bryan: In The Sticks, follows Bryan as he builds a new residence in the country for him and his wife Sarah to raise their growing family. Watch as Bryan and Sarah clash on the vision for their new home and as they learn to cope with the dramatic lifestyle change from city to country life.
