

SPELLZ™

SPELLZ

Abracadabra! Just like that, World Famous magician Jay Sankey and his Kid-Assistant Bridget Hall appear, and they want to show you the inner workings of some of magic's most tightly guarded magic tricks!

Each episode starts with the duo showing you new magic tricks like making a coin disappear and finding the Ace in a deck of shuffled cards. The team then deconstructs the tricks for the viewer so everyone can amaze their friends and families! Along the way they'll fill you in on some of the magic world's most spectacular stories, including Houdini's famous straightjacket escape! *Spellz* is not just fun, it's magical!
